SPECIFICATIONS

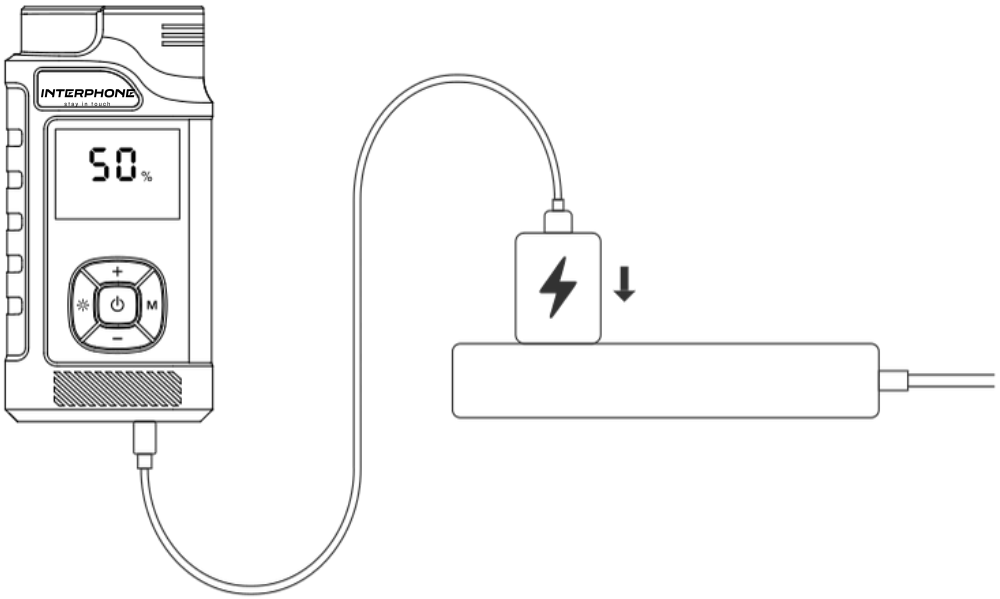

- Model: M180B19G
- Dimension: 171 (L) × 85 (W) × 49 (H) mm
- Compatible Vehicle: 12V lead-acid battery vehicle
- Air compressor: 150 PSI maximum
- USB-C input: 5Vdc, 3A
- USB-A output #1: 5Vdc, 2.4A
- Screen display: 2.4inch LED screen display
- Light mode: Flashlight, SOS, Warning mode
- Charging temperature: 32°F~113°F (0°C~45°C)
- Operating temperature: -4°F~122°F (-20°C~50°C)

WARNING

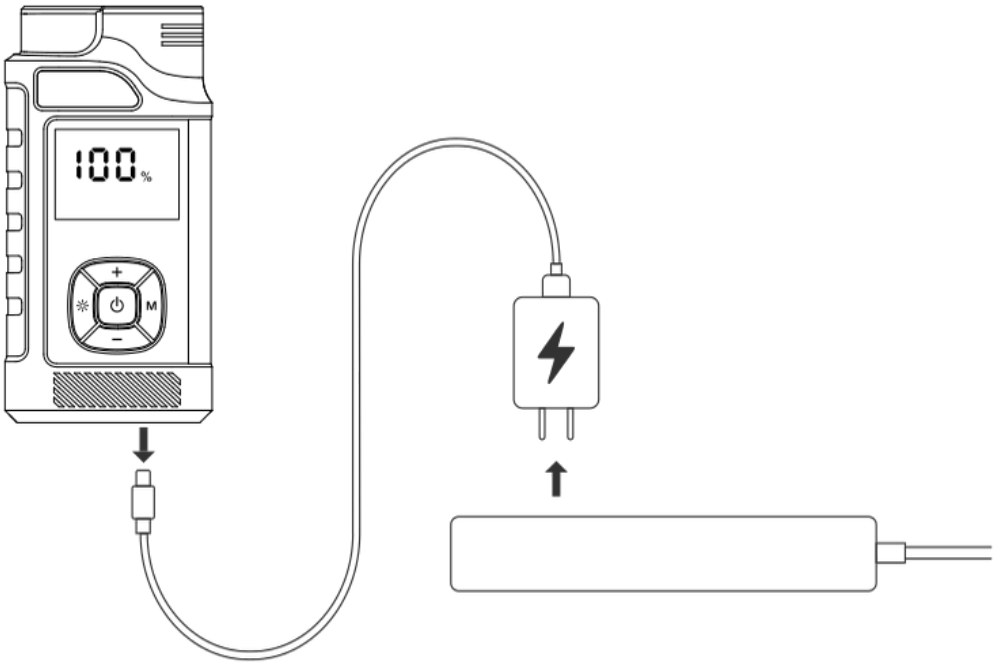

- Keep out of reach of children.
- This product is designed for jump-starting 12V lead-acid battery vehicles only.
- Use of accessories not recommended or sold by the manufacturer may cause damage to the product or personal injury.
- Do not use the air compressor continuously, as this may cause overheating and damage the product. Allow at least 10 minutes for cooling after each use.
- Do not overinflate and do not leave the product unattended during operation.
- Do not attempt to jump-start a vehicle more than 3 consecutive times. Allow at least 60 seconds between each attempt.
- Never touch the red (positive) and black (negative) clamps together, as this may cause damage or personal injury.
- Do not use the product in temperatures above 60°C.
- Keep the product away from flammable, explosive, or corrosive substances.
- Do not disassemble or attempt to repair the product. Contact an authorized service center if needed.
- Ensure the device and its accessories are properly secured before use.
- This device does not replace the rider's responsibility to comply with applicable traffic laws.
- This device does not interfere with pacemakers or other implanted medical devices.
- Recharge the product every 3 months if not used for an extended period.

HOW TO RECHARGE THE PRODUCT?

1. Recharge the product by using the USB charging cable, and connect it with USB power supply.

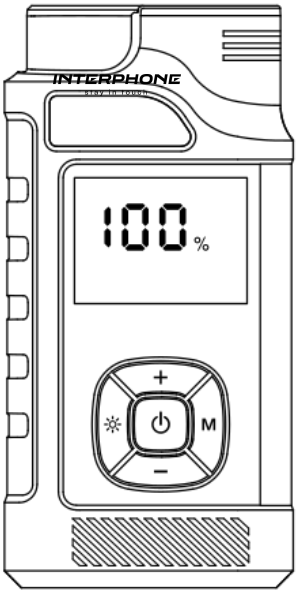

2. Disconnect the cable and power supply after the product was fully charged.

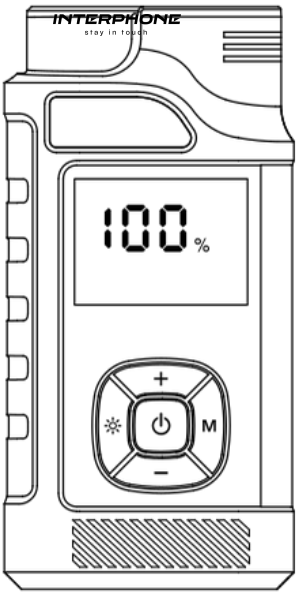

HOW TO CHECK THE BATTERY LEVEL?

Press ⏻ button to turn on, and the power level would be displayed on the LED screen.

HOW TO JUMPSTART A VEHICLE?

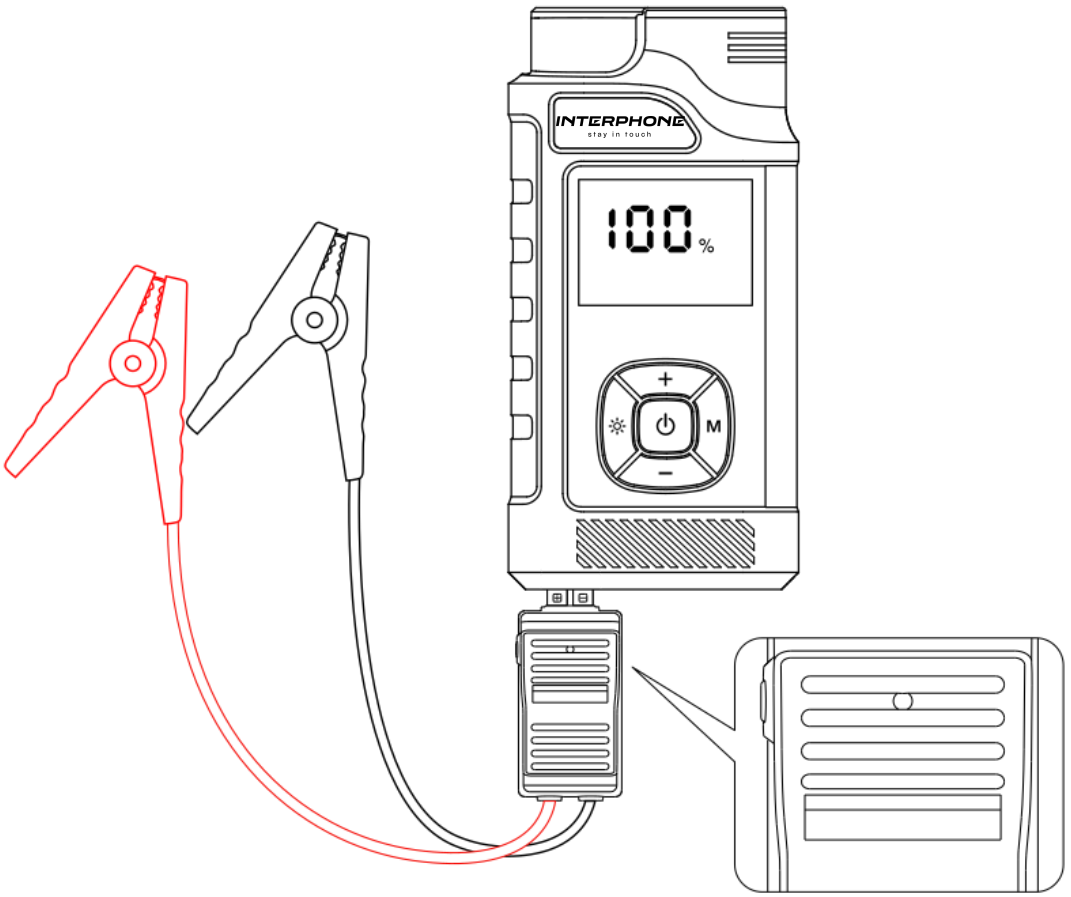

Press ⏻ button to turn on.

NOTE: Please keep the battery level higher than 50% for better jumpstart performance.

2 Plug the jumper cable into the product's jumpstart port completely.

The jumper cable's GREEN LED indicator will start flashing, this means that the product is in jumpstart "Stand-by mode".

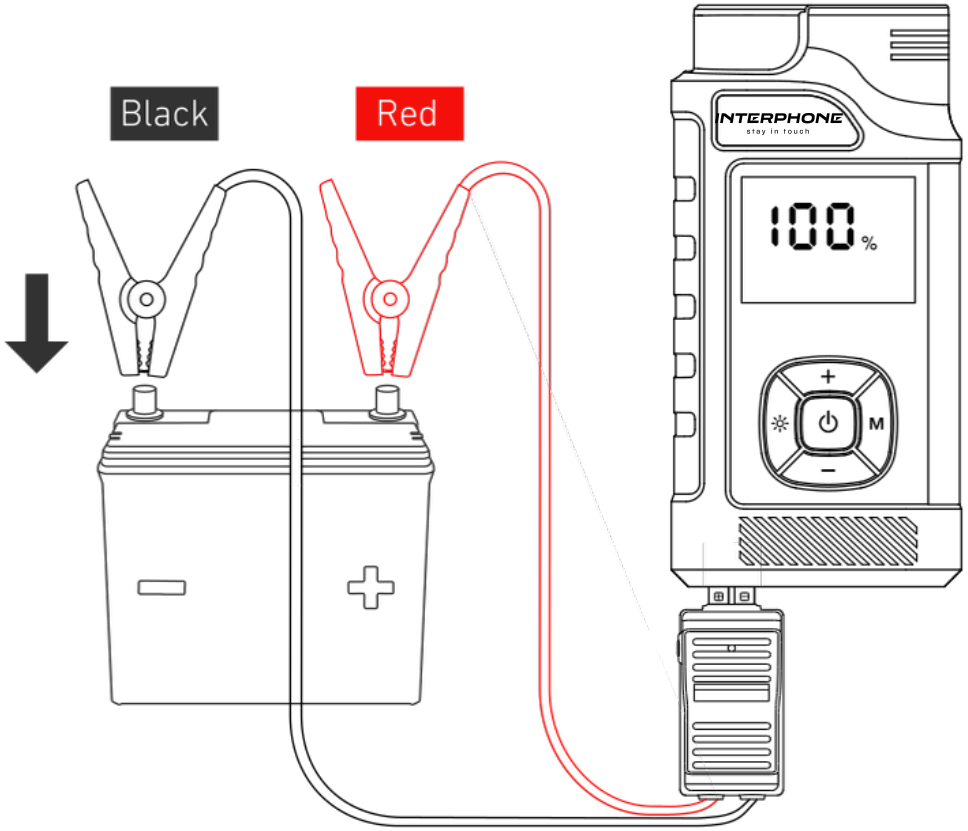

3 Attached the jumper cable clamps to the vehicle battery.

• RED (positive) clamp attach to the vehicle's POSITIVE terminal (+)

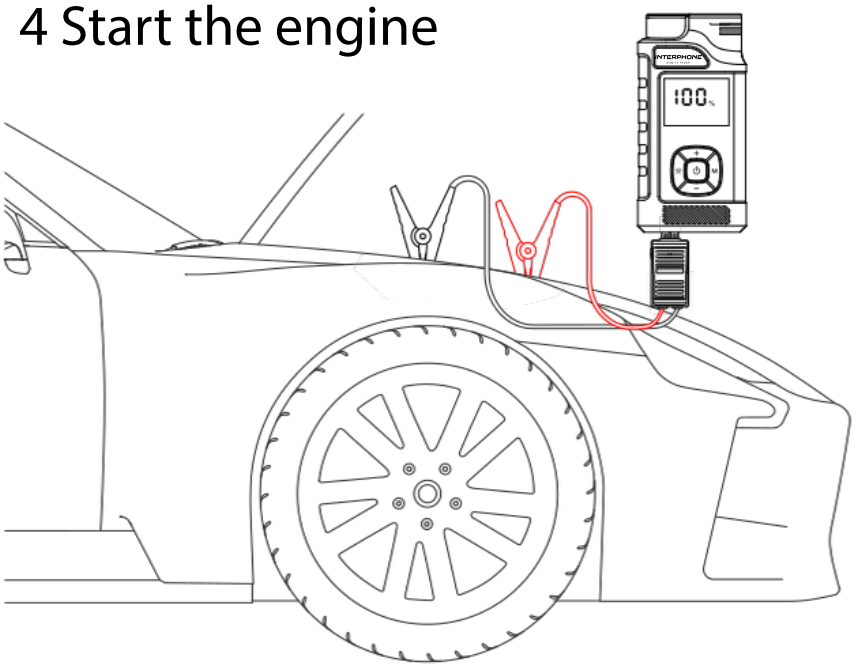

• BLACK (negative) clamp attach to the vehicle's NEGATIVE terminal (-)

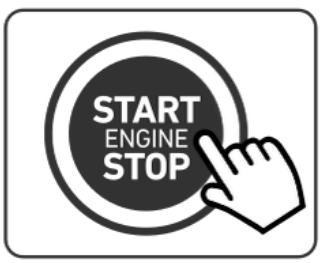

The jumper cable's GREEN LED indicator will be shown solid green, this means that the product is in "Jumpstart READY mode".

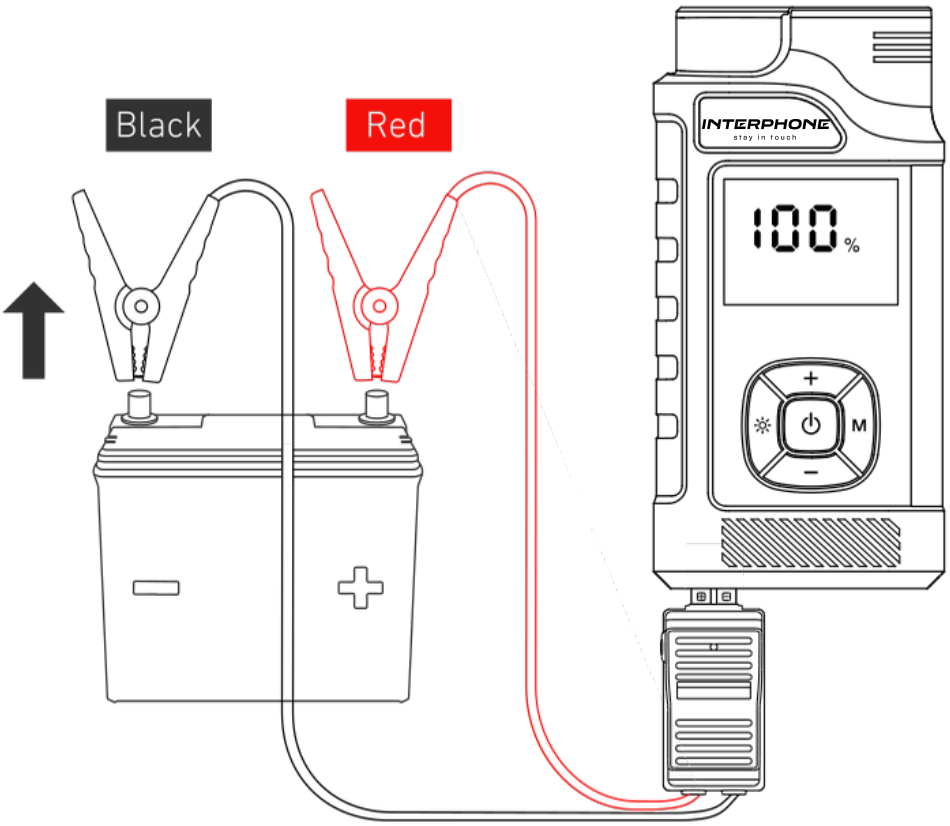

NOTE: In “Jumpstart READY mode”, you will have 120 seconds to jumpstart the engine.

4 Start the engine

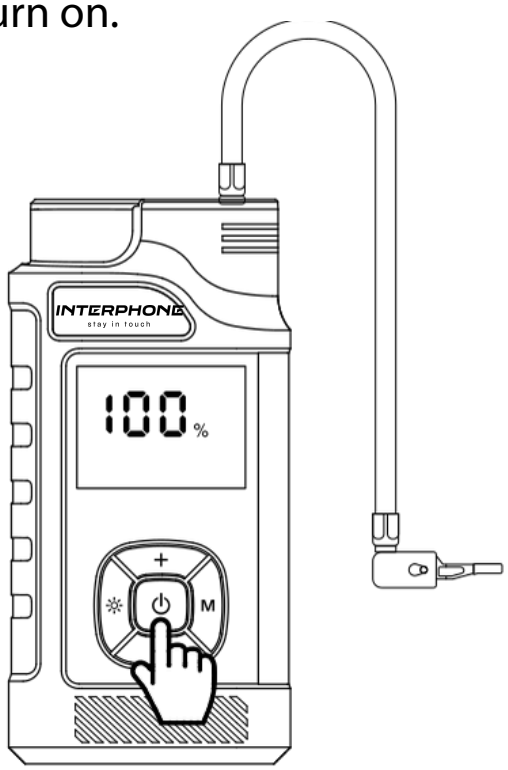

5 Remove the jumper cable clamps from the vehicle battery.

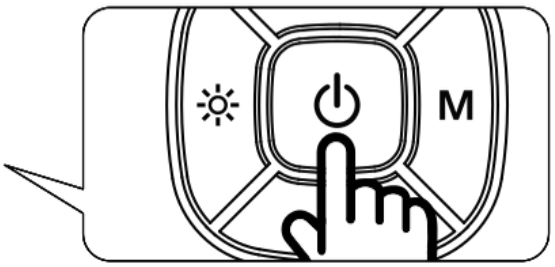

Jumper cable's LED and alarm behavior		
Item description	LED indicator	Buzzer Warning
Standy-by mode	(GREEN flashing)	/
Jumpstart READY mode	(Solid GREEN)	/
Jumpstart over time mode	(GREEN flashing rapidly)	/

LEGAL WARRANTY INFORMATION

Our products are covered by a legal warranty against lack of conformity in accordance with applicable national consumer protection laws.

DISPOSAL INSTRUCTIONS FOR HOUSEHOLD USERS (Applicable in European Union countries and in those with separate collection systems)

The symbol shown on the product or its documentation indicates that the product must not be disposed of with other household waste at the end of its life cycle. To prevent possible harm to the environment or human health caused by inappropriate waste disposal, users are requested to separate this product from other types of waste and recycle it responsibly to promote the sustainable reuse of material resources.

Household users are encouraged to contact the retailer where the product was purchased or their local authority for information regarding separate collection and recycling of this product. Business users should contact their supplier and check the terms and conditions of the purchase contract. This product must not be disposed of together with other commercial waste.

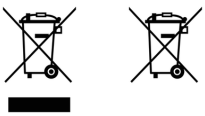

This product contains a battery that is not user-replaceable. Do not attempt to open the device or remove the battery, as this may cause malfunctions and seriously damage the product. When disposing of the product, please contact your local waste disposal authority for battery removal. The battery inside the device has been designed to last for the entire life cycle of the product.

INFORMAZIONI SULLA GARANZIA LEGALE

I nostri prodotti sono coperti da una garanzia legale contro i difetti di conformità, in conformità con le leggi nazionali vigenti in materia di tutela dei consumatori.

ISTRUZIONI PER LO SMALTIMENTO PER GLI UTENTI DOMESTICI (Applicabili nei paesi dell'Unione Europea e in quelli con sistema di raccolta differenziata) Il simbolo riportato sul prodotto o sulla relativa documentazione indica che il prodotto non deve essere smaltito insieme agli altri rifiuti domestici al termine del suo ciclo di vita. Per prevenire possibili danni all'ambiente o alla salute umana causati da uno smaltimento improprio dei rifiuti, si prega gli utenti di separare questo prodotto dagli altri tipi di rifiuti e di riciclarlo in modo responsabile per promuovere il riutilizzo sostenibile delle risorse materiali.

Si consiglia ai consumatori domestici di contattare il rivenditore presso cui è stato acquistato il prodotto o l'ente locale competente per informazioni sulla raccolta differenziata e sul riciclo di questo prodotto. Le aziende devono contattare il proprio fornitore e verificare i termini e le condizioni del contratto di acquisto. Questo prodotto non deve essere smaltito insieme ad altri rifiuti commerciali.

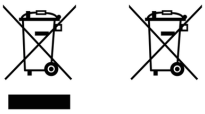

Questo prodotto contiene una batteria non sostituibile dall'utente. Non tentare di aprire il dispositivo o di rimuovere la batteria, poiché ciò potrebbe causare malfunzionamenti e danneggiare gravemente il prodotto. Per lo smaltimento del prodotto, si prega di contattare l'autorità locale competente per la gestione dei rifiuti per lo smaltimento della batteria. La batteria all'interno del dispositivo è progettata per durare per l'intero ciclo di vita del prodotto.

INFORMATIONS RELATIVES À LA GARANTIE LÉGALE

Nos produits sont couverts par une garantie légale contre les défauts de conformité, conformément aux lois nationales applicables en matière de protection des consommateurs.

CONSIGNES D'ÉLIMINATION POUR LES POLITIQUES (Applicables dans les pays de l'Union européenne et ceux disposant d'un système de collecte sélective) Le symbole figurant sur le produit ou sa documentation indique que celui-ci ne doit pas être jeté avec les ordures ménagères en fin de vie. Afin de prévenir tout risque pour l'environnement ou la santé humaine lié à une élimination inappropriée, les utilisateurs sont priés de séparer ce produit des autres déchets et de le recycler de manière responsable afin de favoriser la réutilisation durable des ressources matérielles.

Les particuliers sont invités à contacter le détaillant auprès duquel le produit a été acheté ou leur mairie pour obtenir des informations sur la collecte sélective et le recyclage de ce produit. Les professionnels doivent contacter leur fournisseur et consulter les conditions générales de vente. Ce produit ne doit pas être jeté avec les autres déchets commerciaux.

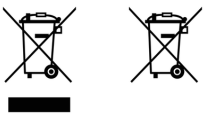

Ce produit contient une batterie non remplaçable par l'utilisateur. N'essayez pas d'ouvrir l'appareil ni de retirer la batterie, car cela pourrait entraîner des dysfonctionnements et endommager gravement le produit. Pour la mise au rebut du produit, veuillez contacter votre service local de collecte des déchets afin qu'il puisse procéder à l'enlèvement de la batterie. La batterie intégrée à l'appareil a été conçue pour durer toute la durée de vie du produit.

INFORMATIONEN ZUR RECHTLICHEN GARANTIE

Für unsere Produkte gilt eine gesetzliche Gewährleistung gegen Vertragswidrigkeit gemäß den anwendbaren nationalen Verbraucherschutzgesetzen.

ENTSORGUNGSANWEISUNG FÜR HAUSHALTSVERBRAUCHER (Gilt in EU-Ländern und Ländern mit getrennten Abfallsammelsystemen) Das auf dem Produkt oder seiner Dokumentation abgebildete Symbol weist darauf hin, dass das Produkt am Ende seines Lebenszyklus nicht mit dem übrigen Hausmüll entsorgt werden darf. Um mögliche Schäden für die Umwelt oder die menschliche Gesundheit durch unsachgemäße Entsorgung zu vermeiden, werden die Benutzer gebeten, dieses Produkt von anderen Abfallarten zu trennen und es verantwortungsvoll zu recyceln, um die nachhaltige Wiederverwendung von Rohstoffen zu fördern.

Haushaltskunden werden gebeten, sich bezüglich der getrennten Sammlung und des Recyclings dieses Produkts an den Händler, bei dem sie das Produkt erworben haben, oder an ihre Gemeinde zu wenden. Gewerbliche Kunden sollten sich an ihren Lieferanten wenden und die Vertragsbedingungen des Kaufvertrags prüfen. Dieses Produkt darf nicht zusammen mit anderen Gewerbeabfällen entsorgt werden.

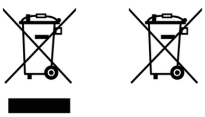

Dieses Produkt enthält eine nicht vom Benutzer austauschbare Batterie. Versuchen Sie nicht, das Gerät zu öffnen oder die Batterie zu entfernen, da dies zu Fehlfunktionen und schweren Schäden am Produkt führen kann. Wenden Sie sich zur Entsorgung des Produkts bitte an Ihre örtliche Abfallentsorgungsstelle. Die Batterie im Gerät ist für die gesamte Lebensdauer des Produkts ausgelegt.

INFORMACIÓN SOBRE LA GARANTÍA LEGAL

Nuestros productos están cubiertos por una garantía legal contra la falta de conformidad, de acuerdo con las leyes nacionales de protección al consumidor aplicables.

INSTRUCCIONES DE ELIMINACIÓN PARA USUARIOS DOMÉSTICOS (Aplicable en países de la Unión Europea y en aquellos con sistemas de recogida selectiva) El símbolo que aparece en el producto o en su documentación indica que, al final de su vida útil, el producto no debe desecharse con otros residuos domésticos. Para evitar posibles daños al medio ambiente o a la salud humana derivados de una eliminación inadecuada de residuos, se ruega a los usuarios que separen este producto de otros tipos de residuos y lo reciclen de forma responsable para promover la reutilización sostenible de los recursos materiales.

Se recomienda a los usuarios domésticos que se pongan en contacto con el establecimiento donde adquirieron el producto o con su ayuntamiento para obtener información sobre la recogida selectiva y el reciclaje de este producto. Los usuarios comerciales deben ponerse en contacto con su proveedor y consultar los términos y condiciones del contrato de compra. Este producto no debe desecharse junto con otros residuos comerciales.

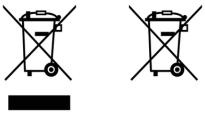

Este producto contiene una batería no reemplazable por el usuario. No intente abrir el dispositivo ni extraer la batería, ya que esto podría provocar fallos de funcionamiento y daños graves en el producto. Para desechar el producto, póngase en contacto con la autoridad local de gestión de residuos para la retirada de la batería. La batería del dispositivo está diseñada para durar toda la vida útil del producto.

ČEŠTINA

INFORMACE O PRÁVNÍ ZÁRUCE

Naše výrobky jsou kryty zákonnou zárukou proti neshodě se smlouvou v souladu s platnými národními zákony na ochranu spotřebitele.

POKYNY K LIKVIDACÍ PRO DOMÁCNOSTI (Platí v zemích Evropské unie a v zemích se systémy tříděného sběru) Symbol uvedený na výrobku nebo v jeho dokumentaci označuje, že výrobek nesmí být na konci své životnosti likvidován s ostatním domovním odpadem. Aby se zabránilo možnému poškození životního prostředí nebo lidského zdraví v důsledku nesprávné likvidace odpadu, žádáme uživatele, aby tento výrobek oddělili od ostatních druhů odpadu a zodpovědně jej recyklovali, a podpořili tak udržitelné opětovné využití materiálních zdrojů.

Domácím uživatelům se doporučuje, aby se obrátili na prodejce, u kterého byl výrobek zakoupen, nebo na místní úřad, kde získají informace o tříděném sběru a recyklaci tohoto výrobku. Firemní uživatelé by se měli obrátit na svého dodavatele a ověřit si obchodní podmínky kupní smlouvy. Tento výrobek nesmí být likvidován společně s ostatním komerčním odpadem.

Tento produkt obsahuje baterii, kterou nemůže uživatel vyměnit. Nepokoušejte se zařízení otevírat ani vyjímat baterii, mohlo by to způsobit poruchu a vážné poškození produktu. Při likvidaci produktu se obraťte na místní úřad pro likvidaci odpadu a požádejte o vyjmutí baterie. Baterie uvnitř zařízení byla navržena tak, aby vydržela po celou dobu životnosti produktu.
