REASON TO BUY

INSTALL IT IN 10 SECONDS. TAKE IT ANYWHERE. Your motorcycle protected, wherever it is. No cables, no installer, no mandatory subscription. Angel Free is a satellite GPS tracker you simply place on the bike — it tracks, alerts and records your rides from day one. Built on German RideLink technology, manufactured in Europe. Start free, upgrade whenever you want.

COMPATIBILITY: Universal

2 USP: MAIN FEATURES FOR SELLIN SPEECH

1. **READY IN 10 SECONDS.** No cables, no tools, no installer. Full protection from day one. Angel Free mounts on any motorcycle in seconds thanks to its self-powered design and super compact form factor. Change bikes? Takes it with you. It's the only GPS tracker that gives you real anti-theft protection with absolutely no setup commitment.
2. **EASY TO MOVE.** Angel Free goes where you go. Just pick it up and place it on your next vehicle. Switch between your touring motorcycle, scooter, dirt bike, quad or car — it takes seconds. One tracker, every vehicle you own.

5 MAIN TECHNICAL FEATURES

1. **Wireless, self-powered** — integrated battery, zero installation
2. **Active anti-theft** — instant app alert on any movement
3. **Ride recording** — every journey automatically saved
4. **Super compact** — easy to store, only 62x54x20 mm
5. **Pre-installed SIM card** — active in 140+ countries, no extra cost
